Patient information

Vicks Inhaler is a decongestant - the active ingredients work on the lining of your blocked nose to ease breathing. It relieves a blocked nose caused by colds or allergic reactions. Nasal stick (0.5ml medication) for nasal use. Do not use if you are allergic to any of the ingredients.

Directions for use (adults and children over 6 years):

Use as often as needed. Insert well into nostril, holding the other nostril closed. Inhale deeply to make breathing feel clear and cool.

Children under 6 years:

Not recommended.

Do not store above 25°C.

CAUTION

If symptoms persist consult your pharmacist or doctor. Keep out of the reach and sight of children. Not recommended for children under 6 years.
